

Aspen, CO, Aspen, 81611, CO, United States

One of Starwood's finest estates within the exclusive and gated community overlooking Aspen, Star Mountain Ranch is a supreme blend of sophistication and alpine delight. Interior finishes and amenities include French limestone floors, LCD glass in pool area for privacy, Italian hand-carved limestone mantle, white oak paneling, AMX integrated audio control system, full commercial kitchen, hand-etched glass shower, indoor pool, steam room, hot tub, juice bar, exercise room, and three elevators. The exterior includes custom copper shingles, granite water features with reflecting pools and water wall, reclaimed aged-oak timber siding and mature landscaping with irrigation system.
